STAT Pentagon for our issue on the Dominican Republic. He noted that the
[redacted]

25X1 [redacted] He noted that
25X1 [redacted] accepted communist involvement in the Dominican Republic.
[redacted]

25X1 Kirkpatrick stated that he was ready to discuss with the DCI the
25X1 survey [redacted] last week and would
be prepared today with a draft SOP for tactical situations. He also noted
that House Appropriations has again delayed further consideration of the
Agency budget. He noted that the Mid-Career Course started Monday. He
noted the presence of Ambassador Adair who will be going to Panama. The
DCI would like to see him if there is time.

25X1 DCI underlined his request for a roundup by the DDI of fragile
25X1 situations in Latin America and a request to the DDP to study the desir-
ability [redacted] ability [redacted]

The DCI - using the theme that it is our job to "edify, not justify" -
discussed methods of bringing critical information to the attention of
policy-makers. One device ~~to be~~ to be used is to cross-reference
publications.

There was a discussion of the January 1962 letter from President
Kennedy to Mr. McCone and the question of its re-issue.

Chretien was advised to prepare a background memo on dealings
with NBC on the 4 May television program.

25X1 DCI underlined his instructions [redacted] for a session with
congressional committees at least once a week and the maintenance of a
precise record of our requests and appearances.

There was a discussion of the personnel ceiling during which the consensus was that it would have to be lifted.

25X1

DCI was shown assorted photographs [redacted] and told that an effort was underway to expand and identify.

25X1

W. Elder
